WARRANTY

One Year from
date of installation

- Doors must be stored flat and in dry conditions.
- Doors must be hung according to industry standards.
- Doors must be finished on all 6 sides or warranty is void.
- Doors may not be trimmed any more than factory recommendations (1/2" on bottom and 1/4" on each side).
- Doors may only be used in an interior application.
- AHP's obligation is only to replace the door; labor not included.

This warranty is only against manufacturing defects such as warping, checking and delamination. Note on maple or white birch: we will only warranty finishes that are clear coat. Dark colors are not warranted.
